PANJIM: The Goyenchi Niz Mogi (GNM) yesterday accused leaders of the Congress, BJP and NCP as three sides of the same 'ghumot' although their actions and language may seem different.

Addressing a press conference at the TB Cunha Hall yesterday, the GNM led by president James Fernandes named Dr Wilfred De Souza, Manohar Parrikar and Chief Minister Pratapsing Rane as the three sides of the same 'ghumot'.

"Just like a 'Ghumot' which gives three notes; the wide base gives a bass

note, the firmer smaller base gives a firm note, the outer wooden case which supports the two bases gives a hard note. Similarly these leaders' actions and languages may sound different but are glued together with their same objectives the same 'Ghumot,' Fernandes said.

"Among the few who have brought Goa to its knees; Dr Wilfred, Parrikar and Rane stand out tall. Instead of being a true parent and assisting Goans to have a better way of life, a better standard of living, a well educated population, all three have

consciously worked very hard to give Government jobs, contracts and Goan land to outsiders. To ensure that Goans do not occupy senior positions in the bureaucracy and police administration and to ensure that Goans do not get jobs in the industries and hotels that have come up in Goa," he alleged.

"These people will ensure that the SEZs which have been created will provide job opportunities to outsiders and enrich the farmers of agricultural and animal husbandry from Belgaum and other neighbouring places," Fernandes added.

The GNM further blamed the political parties for the Coastal Regulatory norms being blatantly violated. "Outsiders encroaching on Goan land are rewarded with water and electric connections, voter and ration cards and have their houses regularized while the same is being denied to Goans. Goan land is being sold to invisible individuals. They have also facilitated the huge influx of outsiders into Goa," the GNM president alleged.

"If Dr Wilfred plays on both sides of the field, where self interest takes precedence over public interest. Parrikar is an egoist

whose agenda is to saffronise Goa and destroy the Goanness of Goans. Rane has an unique personification of indecision and inaction, but all are excellent manipulators

'Don't praise govt for withdrawing Regional Plan 2011'

The GNM has asked the people not to hail the government for withdrawing the controversial Regional Plan 2011. "The same 40 MLAs who plotted and conspired to sell Goa and its unique culture to invisible individuals and make Goans foreigners in their own land, they don't deserve to be praised and hailed. We want to send out a small message to Patricia Pinto and her friends in the GBA. Please abstain from praising the Government for withdrawing the Regional plan 2011, the Goan people might conclude that praise of the Government, as a signal to them to embrace the 40 MLAs. All the 40 MLAs need to be kicked out of the Assembly," said GNM President James Fernandes.

of generous Goans, and do not possess the qualities of Goenkarponn. The three have adopted the policy of 'you scratch my back and I will scratch yours'," Fernandes said.

"If Parrikar appointed Rane as the chairman of Kala Academy and Dr Wilfred as Deputy Chairperson of the Planning Commission during his tenure as chief minister then Rane as chief minister and Dr Wilfred as deputy chief minister consciously abstained from pursuing the corruption charges against the BJP and Parrikar during the IFFI construction and the contracts issued," the GNM stated.

"The government of Goyenchi Niz Mogi will appoint a commission headed by a retired Chief Justice of the Supreme Court to look into all forms of construction and sale of Goan land since January 1, 1990," the GNM promised.

"Parrikar, do not try to play innocent games with the Goan people; Dr Wilfred and Rane, you are equally to be blamed for the jobs that will be created and the influx of migrants that would flood and eventually take over Goa. Please do not try to hoodwink the people of Goa by shedding crocodile tears saying that you care for Goa and Goans," Fernandes said.
